

International Conference on Construction Project Management and Construction Engineering (iCCPMCE 2018) 3-6 December 2018, Sydney, Australia

CONFERENCE INFORMATION

International Conference on Construction Project Management and Construction Engineering, Sydney, 2018 (iCCPMCE 2018) will bring international and national experts in construction management and construction engineering to Sydney to present and share their latest research and practice. iCCPMCE 2018 will be held in Sydney, which is the largest capital city and population centre in Australia. The conference is supported by Global Circle for Scientific, Technological and Management Research (GCSTMR) as its 3rd World Congress. GCSTMR endeavors to create a platform for young researchers to exchange ideas and share information with experts in their respective fields. GCSTMR encourages and facilitates trans-national collaborations among its members and associates in research, training and professional activities. Multidisciplinary international conference series run by

GCSTMR open vast opportunities for researchers to interact on the global platform and take advantage of knowledge sharing in the digital arena.

iCCPMCE 2018 will be held at Western Sydney University's Parramatta campus, which is situated 20km from the Sydney CBD and is well connected by rail, road and ferry networks. The traditional landmarks of Sydney including Sydney Harbour, Sydney Opera House and Harbour Bridge are within easy reach of the conference venue as is the Blue Mountains World Heritage National Park.

iCCPMCE 2018 will feature keynote addresses by world leaders in Construction Management and Construction Engineering. It will cover a wide range of areas within Construction Management and Engineering research where leading researchers as well as early-career scholars and construction managers and engineers will be able to exchange their views and ideas. All the abstracts and full papers submitted to iCCPMCE 2018 will be refereed by two independent reviewers and if accepted will be published in the conference proceedings with Australian ISBN Number.
