Conference dinner: AUD \$130

VENUE

Western Sydney University
Penrith Campus, Sydney Australia

The International Conference on Construction Project Management and Construction Engineering (iCCPMCE-2024) will be held on 20-23rd November 2024, Sydney, Australia. It is jointly organised by the School of Engineering, Design and Built Environment at Western Sydney University, Sydney, Australia and Global Circle for Scientific, Technological and Management Research (GCSTMR) as part of its 7th World Congress.

iCCPMCE-2024 will feature keynote addresses by world leaders in construction management and construction engineering. All the abstracts and full papers submitted to iCCPMCE-2024 will be refereed by two independent reviewers and the accepted papers will be published in the conference proceedings with Australian ISBN Number.

Topics of interest include, but are not limited to the following:

- Construction project management
- Building compliance and construction law
- Procurement and contract
- Work health and safety management
- Supply chain management
- Asset management
- Circular economy
- Decarbonisation and net zero
- Energy and water use
- Life cycle assessment
- Environmental, social, and corporate governance (ESG)
- Digitalisation and industrialisation
- Construction engineering and materials
